

MEMBERSHIP RETENTION & RECRUITMENT COMMITTEE

MISSION STATEMENT:

You can make a difference!

The primary role of the Membership Retention & Recruitment Committee is to:

- set the direction for membership retention and
 - new membership growth for the association.
- We need your leadership input in achieving this goal.

The committee participates in 4 - 5 meetings a year.

The members of the committee have the responsibility to come to the meetings prepared to discuss new ideas and offer opinions on retaining and improving membership.

The other commitment is to:

- Participate as a team-mate for one day at the Annual TCA Membership Campaign, held in 2009 from October 19th to 23rd.

Your leadership skills in encouraging volunteers and motivating other team members during this event are very much needed.

It is a rewarding position, enabling you to take an active role in the direction of your association. You'll have the opportunity to meet new and interesting people in the construction industry and establish new relations.
