

TCA PLANS ROOM & TECHNOLOGY COMMITTEE

MISSION STATEMENT:

TCA's objective is to lead by example by having Canada's top physical Plans Room(s) (TCA & MCA) and Electronic Plans Room. This will be accomplished by providing a comfortable physical environment for the plans room(s) to allow members to work efficiently and effectively. TCA's leadership role in EPR will continue by ensuring that we are continually at the forefront of technology and that we partner with those providers that keep us ahead of the curve.

The 2009 Plans Room & Technology Committee members are as follows:
