

# Green Building Culture Award 2020

## GUIDELINE

The Green Building Culture Award is presented annually to the TCA member firm that best demonstrates a corporate green building “culture” in terms of how they conduct their day-to-day business. The recipient will be an industry leader whose actions inspire environmental sensitivity and encourage a “green building culture.” Guideline criteria include:

- Adopt environmentally friendly protocols and comply with federal guidelines established by the Canadian Green Building Council
- Demonstrate a commitment to promoting sustainability
- Implement proactive waste management programs
- Manufacture, specify or use environmentally friendly products
- Promote innovation and/or employ technologies that optimize results in environmental sustainability
